TREASURER'S REPORT

Peabody, Mass., December 31, 1934

To the Trustees of the Peabody Institute,
Peabody, Mass.

Gentlemen:

The accompanying report in detail covers the Financial activities for the year ending December 31, 1934, examination of which will show that all of our investments and securities are sound and paying interest and dividends except the following:

\$1600 Chicago, Milwaukee, St. Paul 5's 1975. (Interest has been defaulted since April, 1931).

11 1-5 Shares Boston & Maine Railroad, 1st Preferred.
Eben T. Osborn Estate.

1 Share New York, New Haven & Hartford R. R. Eben
T. Osborn Estate.

\$1000 Missouri Pacific R. R. 1st Ref. 5's. (Bought in
1914). Interest defaulted August, 1933.

\$2000 Rio Grande & West 1st Con. Mtg. 4's. (Interest
defaulted October 1st, 1934).

During the year changes were made in our investments
as follows:

General Fund

Sold 7M New York and Hud. R. R. Deb's 1934.

Bought 2000 City of Montreal 4 $\frac{1}{4}$'s 1971

Bought 5000 Toronto, Hamilton & Buffalo 1st Mort. 4's.

Sutton General Fund

Sold 2000 Fitchburgh R. R. 5's 1934.

Sold 3000 Southern Pacific R. R. Conv. 5's 1934.

Bought 1000 Queensborough Ref. Mort. $4\frac{1}{2}$'s 1958.

Bought 1000 Amer. Tel. & Tel. Coll. Trust 5's 1946.

Bought 3000 City of Montreal of 1971.

Eben T. Osborn Fund

Sold 10M 4th $4\frac{1}{4}$ U. S. Liberty Bonds.

Bought 5M Norwich & Worcester R. R. 1st Mort. $4\frac{1}{2}$'s 1947.

Bought 5M Queensborough Ref. $4\frac{1}{2}$'s 1958.

During the year the City of Peabody appropriated \$2700 for Library purposes as against \$1000 in the previous year. This is being used exclusively for the Children's Library.

An appropriation of at least \$5000 is necessary to properly maintain this branch of the service, and do justice to the children of the city.

The gross income from rents has decreased \$75 as compared with last year.

Improvements were made in the Institute Building by installing new book racks and painting and renovating the interior. The cost of which was borne by the City of Peabody, through CWA funds appropriated by the Government.

All accounts and securities were audited by Seamans, Stetson & Tuttle, (Certified Public Accountants) and report made to the Trustees, February 5th, 1934. The securities were again audited September 19th, 1934. The audit for the year 1934 has been completed and the text of the auditor's report follows the treasurer's report. Complete details of the auditor's report is on file at the office of the Trustees. The books were found correct and the securities intact.

Respectfully submitted,

J. J. FITZPATRICK, Treasurer.

TRUSTEES OF THE PEABODY INSTITUTE

Audit for the Year Ended December 31, 1934

Boston, Mass., February 8, 1935

Trustees of the Peabody Institute,
Peabody, Massachusetts

Gentlemen:

In accordance with your instructions, we have audited the books and accounts of the Treasurer of the Trustees for the year ended December 31, 1934.

The cash balances as shown by the cash book and general ledger were in agreement with the bank statements and certificates of balance obtained from the Warren National Bank as of December 31, 1934 after allowing for outstanding items.

The securities and savings bank books representing the investments of the various funds were examined and found to be on hand or properly accounted for as required by the records. The securities investments are shown in detail in Exhibit E. The savings bank accounts were verified by correspondence with the banks.

The income from interest on bonds, dividends on stocks, and bank interest has been verified and all found to be accounted for properly. The rate of income from securities and savings bank deposits for 1934 was 4.70% on the book value of securities and cash at the beginning of the year.

Gross income from real estate rentals (not allowing for expenses) was \$2,472.00 or 6.06% on the book value of the

outside real estate investment compared with \$2,412.00 or 5.91% the previous year.

All disbursements were supported by cancelled checks and vouchers, the vouchers being properly approved where such approval was necessary.

Three small adjustments between funds correcting charges made in 1934 have been incorporated in the exhibits and schedules of this report and will be made on the books in 1935.

Attached hereto and forming a part of this report are exhibits and schedules showing the transactions for the year and the conditions of the funds at the end of the year as follows:

REPORTS OF COMMITTEES

To the Trustees of the Peabody Institute:

Gentlemen:—The reports of the Librarians and of the Sub-Committees of the Lyceum and Library Committee are herewith submitted. They present in full the work of the Institute for the year ending December 31, 1934.

Respectfully submitted,

WILLARD W. WOODMAN,

Chairman Lyceum and Library Committee.

Report of the Library Committee for the Year 1934

The small appropriation made by the city for the work of the Library has affected the development of the children's department where books that are urgently needed could not be purchased. The responsibility for this rests principally with the city where a sufficient appropriation should be made for this important educational department of the Library.

Through the efforts of Mr. Keefe, our Librarian, money was obtained from Federal funds to renovate the interior of the Library and modernize its furnishings. The work was done under his personal supervision and a complete renovation of book stacks and catalog cases was accomplished. Books that were worn and unfit for circulation were rebound. This work was done after an investigation of the craft of the book-binder, with the result, that the rebound books compare favorably with the original binding.

The appeal of Governor Ely to the people of Massachusetts to observe book week by visiting the public libraries shows the importance attached to their work and its influence. In commemoration of National Book Week, Mr. Keefe published a history of the Peabody Institute which refreshed the memory of many in regard to its establishment and the generosity of its founder.

Children's book week was observed as usual by a large attendance—but the daily attendance is sufficient to make every week a book week in the Peabody Library.

Lists of new books added to the Library are published

monthly in a local newspaper which is of great benefit to the people who patronize the Library.

I wish to add a word of commendation of the splendid work of the librarian and his two assistants who are giving such efficient service to the patrons of the Library. The young men attendants in the adult library are courteous and attentive to their duties, and the janitor is giving faithful and efficient service.

For the Committee,

P. H. O'CONOR, Chairman.

**Report of the Eben Dale Sutton Reference Library
for the Year Ending December 31, 1934**

To the Lyceum and Library Committee:

The number of consultations as will be seen from the Librarian's report, which is to be considered as part of the Committee's report, has shown an increase over last year. This for the most part is due to the increased number of consultations by pupils of the High School. The Committee will welcome suggestions from the school faculty as to the purchase of reference books not in the main library that will be of use to the students.

It would be of much assistance to the Committee if they could have a statement from the Trustees at the beginning of the year of the amount of money that will be available for the purchase of books for this Library.

GEORGE R. UNDERWOOD,
For the Committee.

Librarian's Report

To the Library and Lyceum Committee:

Ladies and Gentlemen:—

I respectfully submit the following report of the Peabody Institute Library for the year ending December 31, 1934.

The year 1934 has been a year of unusual activity. Through projects developed by the E.R.A. we have renovated and painted the entire building; finished replacing the old stacks with modern standard stacks; installed a new catalog case; revised our catalog, changing it from three sections to a single dictionary file; and changed our charging system by which our fiction is arranged alphabetically, by author, on the shelves. Further work of re-classification must be postponed until the Trustees can install a new charging desk to facilitate the work. Shelf list of fiction and travel has now been made on cards. Hundreds of books were repaired and rebound; also all books have been transferred from the basement to the main floor.

Inventory has been taken of adult fiction, travel, history, biography and all children's books.

There has been a slight decrease in circulation. We have purchased 896 and have circulated 80,306, from which it is evident that with funds to purchase necessary volumes, our circulation would be greatly increased.

The children's room was closed for repairs during a period of 11 days. Book week was observed the week of November 11-18. One hundred books were displayed. Through insufficiency of volumes we have been compelled to discontinue our deposits in the schools, our courses in the use of the library and school visits.

Again I wish to stress, that such measures should be taken, to induce our new Mayor to place in the city budget, a sufficient appropriation for the development and maintenance of all the various phases of our children's library, which support, the juvenile department so obviously needs.

Membership of the Library Art Club has been discontinued.

In presenting this report I wish to express my sincere appreciation of the service and cooperation on the part of the library assistants and your committee.

Statistics in the usual form are hereby appended.

JOHN E. KEEFE, Librarian.
